

Remembering
Michael H. Jameson

15 October 1924 – 18 August 2004

Stanford Memorial Church
20 October 2004

Mike got me started in this business and kept me going when I faltered.

– *Robert Knapp*

I remember courtesy, modesty, kindness, a power to encourage

– *Robert Parker*

He was a great scholar and one of the kindest and most honorable men I've known.

– *Susan Treggiari*

Mike was a heroic figure for me – the man who brought a whole new agenda to Greek history and Greek archaeology and who did so with an extraordinary and exemplary generosity towards others.

– *Robin Osborne*

Bearded or beardless, Mike was one of the most deeply humane and genuinely scholarly persons I have ever known, without a trace of *amour propre*, let alone an excess of philotimo.

– *Paul Cartledge*

εἰ δὲ θανόντων περ καταλήθοντ' εἰν Ἀίδαο,
αὐτὰρ ἐγὼ καὶ κείθι φίλου μεμνήσομ' ἑταίρου.

– *Martin Ostwald, quoting The Iliad 22, 389–390*
